$$5 + 2 = 7$$

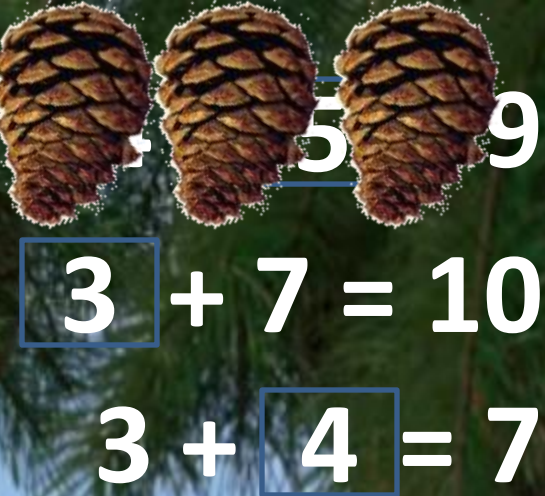

$$10 - 8 = 2$$

10 - 6 = 4

A horizontal row of 10 brown pinecones is positioned at the top of the image. Overlaid on the first six pinecones is the subtraction equation $10 - 6 = 4$ in large orange text. The pinecones are arranged in a slightly curved line against a background of green pine needles and a blue sky with light clouds.

$3 + 7 = 10$
 $3 + 4 = 7$

Two addition equations are displayed in white text on the right side of the image. In the first equation, $3 + 7 = 10$, the number 3 is enclosed in a blue box. In the second equation, $3 + 4 = 7$, the number 4 is enclosed in a blue box. The background consists of green pine needles and a blue sky.
